August 15th 1979

Dear Harold;

Sorry to be so terribly slow in answering but I got into a few stories over my head. I will take this upstairs and see if we have a copy of the transcript.

Meantime I'm working my head off on a lot of trivia required to fill the hungry maw of radio & TV news in August,-and then will run off to NH for three weeks of vacation/

best of luck in your continuing search;

George Herman
